

About Us

The Truly Memorable team are committed to making your day your own. We understand that our couples and families have different needs and expectations. We want your big day to become a reality and will assist you as much as you want to make that expectation come true.

If you are due to celebrate an anniversary or embark on a new phase of your life as a parent we can assist with putting together a celebration you will never forget. Welcoming a new life into the family can draw upon many emotions, and entrusting a celebrant to take lead on this kind of ceremony will give you the time and space needed to enjoy and take in every minute of the special day.

As Registrars we have years of experience in conducting ceremonies such as Weddings, Civil Partnerships, Baby Naming and Re-affirmation of Vows. We welcomed the change in law when Parliament brought into force the new laws enabling same-sex couples to at last gain legal recognition and form a legal partnership. Our ethos on equality remain at the top of our priorities and we will always push forward for more equality within the wedding industry.

Throughout your use of our services we will keep you informed of all developments and will communicate with you at every opportunity. Your opinions and views will be paramount to the success of your day. Whether you just want us to play a small part in the coordination of your day or plan the whole day we promise to give you our full attention and expertise.

We have vast ceremony experience and contacts as well as project management skills, and legal expertise. We work closely with our designers to create the look and theme of your day and we have designed our own range of stationery for you to choose from if you wish.

We aim to provide a first class service in all areas of events planning and co-ordination. Take a look at our planning services and you will see that we cater for a range of events.

We are a London based business and cover Greater London and the surrounding counties. Please see our map to find out if our planning packages cover your area.
